

INTERNATIONAL BOOKINGS FURTHER INFORMATION

The International team realise that long haul International visitors may need some further assistance, so that they can join us at our amazing Charnwood 2016 International Camp.

Our aim is to 'buddy' you up with a UK Host Group or if you are on the Staff with your Staff Team Leader.

- They could be a contact for information of what is happening with Charnwood 2016 as the camp develops.
- They could help you decide what you will need to bring with you. For example for the varied English weather.
- The friendship of two countries working together would be wonderful for the scouts and guides.
- **Please note: that the Charnwood central fee DOES NOT include any transport in the UK for example to and from the Charnwood site and it does not include any food or equipment etc.**
- If bringing equipment is not practical then the Host Group could help you further and maybe supply tents for you or find out where you could hire them, so that you don't have to bring heavy equipment.
- If you are a **Staff** member you can pay the extra staff catering fee and have central catering so that you do not have to bring catering equipment with you.
- If you are bringing an International **Group** and it is not practical for you to bring catering equipment, we have an International Group catering option:-

International groups can request a UK Host Group to help them by doing central cooking together so that you don't have to bring any catering equipment. This Group Catering Option for the week of the camp will cost £65.00 for each person catered for.

As well as learning about English food you could share some of your countries food and recipes with them too.

To request the International Group catering option contact us on intbookings@charnwood.org
Let us have a rough idea of numbers and any dietary requirements.

The Group Catering fee has to be paid at least three months before the camp but no later than 30th April 2016.

The Group Catering Fee has to be paid to the main Charnwood 2016 payment centre
(The payment method is the same as when you pay your central fees).

- If you need help or have any further questions please contact us at intbookings@charnwood.org
